A new abstract is submitted herewith, replacing the previous abstract of record. Additionally, Applicants have amended the specification at page 19, lines 8-9, thereof. Applicants submit that no new matter has been added by this response.

Responsive to the request that Applicants provide a copy of the relevant pages of "R.L. Burden and J.D. Faires, Numerical Analysis, Third Edition," Applicants have chosen not to present the argument which relied on that particular reference as part of
